PROJECTS

Vibes Net <i>Mental Health Support Mobile Application</i>	April 2024
- Developed a user-friendly mobile application aimed at addressing mental health challenges through technology. - Key features include mood tracking, guided meditations, AI-powered chatbot support, anonymous forums, and professional counseling integration. - The app promotes emotional well-being, offering tools for self-care, community engagement, and secure, scalable accessibility.	
Technologies: Flutter, Firebase, Node.js, Python, Firebase, MySQL/PostgreSQL, Figma, Postman, Android Studio	

Bite Blitz

2023 - 2024

Food Ordering Mobile Application

- Developed a mobile application to streamline food ordering for both customers and restaurants.
- The app allows users to browse menus, customize orders, make secure payments, and track orders in real time. Restaurants benefit from efficient order management, data analytics, and marketing tools.
- The system is designed with scalability and high performance in mind, providing a personalized and convenient dining experience.

Technologies: Java, XML (Android), SQLite (local database), Android Studio, Figma

Additional Features: Location services, real-time tracking, and secure payment integration

Seat Easy

2022 - 2023

Seat Booking Web Application

- Developed a C++ program to automate seat reservations and optimize booking processes.
- Implemented features for seat availability checking, real-time booking updates using MVC architecture

Technologies: C++, HTML, CSS, MySQL

CERTIFICATES

UNIX Getting Started

March 2025

Oracle SQL - A Complete Introduction

2025

AI Foundations Associate certification

Oracle Cloud

October 2025

Web Design for Beginners

University of Moratuwa

October 2025

INTERNSHIP/TRAININGS

Web Developer,

Pixelz Software Company

March 2023

Software Engineer Internship,

Onsys Technologies, Colombo

Jul 2025

EXTRA-CIRRICULAR

Vice Captain of School Baseball Team,

Siridhamma College, Galle

2013 - 2017

Member of School Karate Team,

Siridhamma College, Galle

2013 - 2017

Member of Science Society,

Siridhamma College, Galle

2017 - 2019

Senior Prefect

Siridhamma College, Galle

2017 - 2019
